• Detailed Images

Highly detailed images in 4K resolution (3840 x 2160) supporting 4K/60p signals for faithful expression of high-quality content.

• Useful Features for Meeting Rooms and Classrooms

Supports HDMI CEC to control connected devices from a single remote, and external device control via RS-232C/LAN for efficient operation. Designed for continuous 16-hour daily use.

• Easy Installation

Six sizes allow users to choose the size that best suits the room space. Equipped with built-in speakers and basic terminals, the display can be used immediately with no need for external devices.

Specifications (Tentative)
